

Middle of Oct. I have not seen
 him since last Sept. he is now
 at Melrose New Mexico. I dont
 know what he has done in regard
 to your Mothers claim you write
 him at Mr. Lester Okla Box 552
 And if he is not there it will
 be forwarded to him. And tell him
 if he is not going to prosecute
 your Mothers claim to return
 the Papers to you. I am glad to
 know you have made a good
 crop. I wish I was there to eat
 that nice Symp. with you Can
 you ship me about ten gallons.
 My Can done fine considering
 the time it was planted and the
 month we had strong July & Aug
 it matured about 4 feet. I raised
 about three hundred stalks I have
 put it away for seed.
